

## Pillow Block EDX SALF 203-11

Pillow Block

### OVERVIEW

#### Product specifications

|                                                        |                                         |                                               |                  |
|--------------------------------------------------------|-----------------------------------------|-----------------------------------------------|------------------|
| Bearing number                                         | <b>EDX SALF 203-11</b>                  | Total height from mounting surface (Z ( mm )) | <b>32.1</b>      |
| Inner Dimension (d ( inch and mm))                     | <b><sup>11</sup>/<sub>16</sub> inch</b> | Width of Inner Ring (Bi ( mm ))               | <b>19.1</b>      |
| Shaft diameter (d ( mm ))                              | <b>17</b>                               | Distance front side/bearing centre (n ( mm )) | <b>6</b>         |
| Housing width / diameter (a ( mm ))                    | <b>81</b>                               | Bolt Size                                     | <b>M6</b>        |
| Mounting holes distance (e ( mm ))                     | <b>63.5</b>                             | bearing no.                                   | <b>SA 203-11</b> |
| Distance mounting surface to bearing center (i ( mm )) | <b>9.5</b>                              | Housing No.                                   | <b>LF 203</b>    |
| Housing foot height / flange height (g ( mm ))         | <b>9.5</b>                              | Weight                                        | <b>0.28</b>      |
| Housing Height (L ( mm ))                              | <b>18</b>                               | Speed Tolerances Grades (J7)                  | <b>6500</b>      |
| Housing Width (B ( mm ))                               | <b>56</b>                               |                                               |                  |
| Mounting hole dimension (S ( mm ))                     | <b>8</b>                                |                                               |                  |
