

## Pillow Block EDX SALF 205-15

Pillow Block

### OVERVIEW

#### Product specifications

|                                                        |                                         |                                               |                  |
|--------------------------------------------------------|-----------------------------------------|-----------------------------------------------|------------------|
| Bearing number                                         | <b>EDX SALF 205-15</b>                  | Total height from mounting surface (Z ( mm )) | <b>34.5</b>      |
| Inner Dimension (d ( inch and mm))                     | <b><sup>15</sup>/<sub>16</sub> inch</b> | Width of Inner Ring (Bi ( mm ))               | <b>21.5</b>      |
| Shaft diameter (d ( mm ))                              | <b>25</b>                               | Distance front side/bearing centre (n ( mm )) | <b>7.5</b>       |
| Housing width / diameter (a ( mm ))                    | <b>96</b>                               | Bolt Size                                     | <b>M8</b>        |
| Mounting holes distance (e ( mm ))                     | <b>76</b>                               | bearing no.                                   | <b>SA 205-15</b> |
| Distance mounting surface to bearing center (i ( mm )) | <b>11</b>                               | Housing No.                                   | <b>LF 205</b>    |
| Housing foot height / flange height (g ( mm ))         | <b>11</b>                               | Weight                                        | <b>0.47</b>      |
| Housing Height (L ( mm ))                              | <b>20</b>                               | Speed Tolerances Grades (J7)                  | <b>5600</b>      |
| Housing Width (B ( mm ))                               | <b>64</b>                               |                                               |                  |
| Mounting hole dimension (S ( mm ))                     | <b>10</b>                               |                                               |                  |
